

Charles Pettee's *Hear the Sound* programs and residencies stimulate kids to **"Imagine, Create, and Participate!"**

2010 Music Programs  
by Charles Pettee  
for Schools and  
Summer Reading Programs  
offer kids the chance to:

**Imagine** ... The sound of the banjo being born in West Africa ... The sound of "Old Joe Clark" ringing from the decks of a Pilgrim ship on the high seas .... The sound of "Follow the Drinking Gourd" leading slaves to freedom by the Underground Railroad ... The sound of an Irish jig at an Appalachian hoe-down!

**Create** ... New rhymes for old lines ... New words for traditional folk songs ... New rhythms!

**Participate** ... Clap along ... Sing along... Call and response ... Ask questions ... Be yourself!

*Mr Pettee is an approved artist on the NC Arts Council Teaching Artist roster and the CAPS Program roster.*
